

## ACTIVITY SUGGESTIONS

### Overview & Purpose

Celebrated annually, Adult Learners' Week takes place during the first week of April. It embodies the courage, resilience, and perseverance of adult learners who continue to practise old and new skills. It is a reminder that learning at any age is valuable and important!

### Contents

**Poster** to promote Adult Learners' Week.

**Prompt sheet poster and individual size** with "I'm learning...and I'm sticking with it" to encourage learners to reflect and celebrate their past and future achievements.

**Post-its** to stick on the prompt sheet or poster with learners' accomplishments and ideas.

### Use the prompt, "I'm learning...and I'm sticking with it" to:

1. Start a conversation.
2. Put up the prompt sheet in a classroom or learning space and invite everyone to add their voice in pen, pencil, drawing, on a post-it, etc!
3. Create a collection of stories or art work based on the theme.
4. Make a video.
5. Share some digital skills and put a presentation together.
6. Take photos of each learner holding up their answer on the prompt sheet.
