Dear Friend of Literacy,

Welcome to Adult Learners' Week!

This year, Adult Learners' Week takes place from April 3rd to 7th. We at Literacy Quebec invite you to celebrate the importance of lifelong learning. The achievements made by adult learners who continue to practise both new and old skills is showcased by this year's theme, "Stick with it." Adult Learners' Week highlights the value of learning no matter your educational background, as growth and knowledge foster a more equitable society and lead individuals to live more fulfilling lives. While fun, learning can provide challenges as well, so we believe it is important to honour those who continue to stick with it!

Help us highlight this important week. This package contains a poster, a conversation prompt, an activity suggestion sheet and post-its to help us all reflect on our achievements. Have fun celebrating, and feel free to share with us!

*"Education is not the filling of a pail, but the lighting of a fire." - William Butler Yeats*

Sincerely,

The Literacy Quebec Team
